Project Green Wristbands
Product Specification

DURA-ECO ENVIRONMENTALLY FRIENDLY SOLUTIONS

Product Description and Applications
Project Green Wristbands are a high strength, fully recyclable, bio degradable and compostable, earth friendly wristband. This product is made from FSC paper and can be made in to wristbands with or without leaders, in a litter-free format, flood coloured and pre-printed with logos, numbers and more. The adhesive on the wristbands offers excellent adhesion.

Printability
Project Green can be flood coloured and pre-printed in up to 4 colours on one side. This product is also printable using a suitable inkjet printer or laser printer.

Storage Guidelines
Dura-ID Solutions recommend keeping this product out of direct sunlight in temperatures of 20°C ± 5°C at a RH of 45 ±5%. Prolonged storage at higher or lower temperatures may affect the shelf-life of this product.

Recyclability
Project Green is an FSC certified paper and can be widely recycled.

Certification
- Project Green is an FSC certified paper and can be widely recycled.

- PITC-RP-22.02.2022: Modified re-pulpability test according to Fibre Box Association Method.

- OK 1 edition E including EN13432 (09-2000): “Packaging – requirements for packaging recoverable through composting and biodegradation. Test scheme and evaluation criteria for the final acceptance of packaging.’
